Park Avenue Corner Brings a New High Record Price-Valuable Plot Near Longaere Square Sold for Improvement-More About 728 Fifth Avenue.

Professional dealing in the midtown districts was the principal feature of yesterday's brokerage reports. In the Longacre Square neighborhood a valuable plot was bought for improvement with a business building. Baveral purchases were made in the district between Twenty-sixth and Thirty-fourth streets, Madison and Lexington avenues. The southeast corner of Fourth avenue and Thirty-second street was bought by John L. Martin, an operator, for \$150,000, or \$75 a square foot. This is the record price paid for Fourth avenue prop-

The next highest rate is \$52 a square foot. given by G. A. Schwab for the southeast corner of Thirty-first street. In both instances the transaction was of a specustances the transaction was of a speculative character. This proves to have been the case also in the purchase, of No. 388 Fourth avenue, which, it turns out, was secured by the Fashion Realty Company, of which G. S. hwab is president and Morris Kraus treasurer. The company is understood to be negotiating for the adjoining northwest corner of Twenty-seventh street. It is said that twenty-one sales have been made in Fourth avenue between Twenty-sixth and Thirty-fourth streets in the last five weeks. Whether the operators active in this stretch of the avenue have any it side information pointing to important changes

in this stretch of the avenue have any triside information pointing to important changes in its character cannot be learned. It is known, however, that the Park Avenue Hotel, which was recently for sale, has, like the car barn block opposite, been withdrawn from the market. The presumption is that both are wanted for a union railway station by the Pennsylvania, New Haven and Metropolitan roads.

station by the Pennsylvania, New Haven and Metropolitan roads.

It was learned on apparently good authority that Charles W. Morse is the prospective buyer of the house at No. 728 Fifth avenue, belonging to Harry Payre Whitney. It is a five story American basement dwelling, adjoining Mr. Whitney's residence at the southwest corner of Fifty-seventh street. Mr. Morse bought No. 726 Fifth avenue about a month ago from the Commonwealth Realty Company. His residence is at No. 724 Fifth avenue, next to the Edward Kemp estate property at the northwest. Remp estate property at the northwest corner of Fifty-sixth street. The contract for the purchase of No. 728 Fifth avenue has not been signed, but it is understood that the terms have been agreed
